

# Reconstructive Foot and Ankle

---

FELLOWSHIP PROGRAM AT  
**Westside Regional  
Medical Center**

# Welcome to the Reconstructive Foot and Ankle Fellowship Program at Westside Regional Medical Center

The Reconstructive Foot and Ankle Fellowship Program at Westside Regional Medical Center is part of the HCA Healthcare Graduate Medical Education network. HCA Healthcare is the nation's leading provider of quality, patient-centered care. We are also the leader in graduate medical education, all brought together by a single mission:

**Above all else, we are committed to the care and improvement of human life.**

## Salary

PGY1

\$59,738

The Westside Regional Medical Center Reconstructive Foot and Ankle Fellowship program's mission is to develop the next generation of physicians and physician leaders. As a part of HCA Healthcare, we are driven by a single mission: Above all else, we are committed to the care and improvement of human life.

This program is designed to offer fellows a rewarding, educational environment where fellows are provided individualized learning opportunities by faculty and staff who support and sustain one another throughout quality care delivery. Our faculty are committed to ensuring the fellows' clinical experience and educational needs are fulfilled while expanding fellows' perspectives to be inclusive of cultures, values, and ideals.

Well-rounded Fellowship that will improve and build on the fellow's current skills and add a sense of completeness to their total education that will allow them to enter private practice with full confidence in all aspects of podiatric medicine and surgery.

## Our Faculty

### **Warren Windram, M.S, DPM, CWS, FACFAS**

Fellowship Program Director

Dr. Windram graduated with his Masters Degree and Doctorate Degree from Barry University School of Podiatric Medicine. Followed by the completion of his podiatric surgical residency program at Jackson North Medical Center. Dr. Windram specializes in foot & ankle reconstructive/trauma surgery, with a particular interest in total ankle joint replacement surgery.

### **Steven Spinner, DPM, FACFAS**

Residency Program Director

Dr. Spinner completed residency training at Peninsula Hospital Center in New York, after which he relocated to South Florida to enter private practice. He is board certified by the American Board of Foot and Ankle Surgery (ABFAS) and is a Fellow of the American College of Foot and Ankle surgeons (ACFAS).

### **Robert Mills, MD**

Dr. Mills is a board-certified Orthopedic surgeon who specializes in foot and ankle conditions.

### **Arthur Segall, Jr., DPM, FACFAS**

Dr. Segall Jr. received his doctorate in podiatric medicine from Barry University School of Podiatric Medicine and then completed his residency training at Hialeah Hospital and Palmetto General Hospital. He is board certified by the American Board of Podiatric Medicine (ABPM) and received his board certification in foot surgery from the American Board of Podiatric Surgery.

### **Fredric Chussid, DPM, FACFAS**

Associate Residency Program Director

After graduating from New York College of Podiatric Medicine Dr. Chussid relocated to South Florida where he completed his residency at Southeastern Medical Center, and Fellowship training at Universal Medical Center. He is board certified by the American Board of Foot and Ankle Surgery (ABFAS) and is a fellow of the American College of Foot and Ankle Surgeons (ACFAS).

### **Madelin Ramil, DPM, FACFAS**

Dr. Ramil graduated from Barry University School of Podiatric Medicine. She is Board Certified in foot surgery by the American Board of Foot & Ankle Surgery (ABFAS) and is an active fellow in the College of Foot & Ankle Surgery.

## Our Faculty

### **Christopher J. Pappas, DPM, FACFAS**

Dr. Pappas graduated from New York College of Podiatric Medicine. He is Board Certified in foot surgery by the American Board of Foot & Ankle Surgery (ABFAS) and is an active fellow in the College of Foot & Ankle Surgery.

### **Clive Woods, MD**

Dr. Woods is a board-certified Orthopedic surgeon who specializes in foot and ankle conditions.

### **Amanda Allen, DPM, AACFAS**

Dr. Allen graduated from Barry University School of Podiatric Medicine. Dr. Allen is a past fellow of the reconstructive foot and ankle surgery fellowship for the class of 2018.

### **Julie Schottenstein, DPM**

Dr. Schottenstein graduated from Barry University School of Podiatric Medicine. Dr. Schottenstein is a past fellow of the reconstructive foot and ankle surgery fellowship for the class of 2017.

### **Daniel Bell, DPM, FACFAS**

Dr. Bell graduated from Barry University School of Podiatric Medicine and completed his residency training at Kendall Regional Medical Center in Miami. He is board-certified in American podiatric surgery, a member of the American Academy of Podiatric Sports Medicine, and a member of the American College of Foot and Ankle Surgeons.

### **Alberto Herrada, DPM, FACFAS**

After graduating from Barry University School of Podiatric Medicine in Miami, Dr. Herrada completed training at Tarzana Regional Medical Center in Los Angeles.

## Our Faculty

### **Ray Kim, DPM, FACFAS**

Dr. Kim graduated from Barry University School of Podiatric Medicine. He is board-certified in American podiatric surgery and is a fellow of the American College of Foot and Ankle Surgeons.

# Current/Past Fellows

**Tarak Amin, DPM, ACFAS**  
Temple University School  
of Podiatric Medicine  
Class of 2022

**Joshua Epstein, DPM, ACFAS**  
Des Moines University  
College of Podiatric Medicine  
Class of 2021

**Amanda Allen, DPM, ACFAS**  
Barry University School  
of Podiatric Medicine  
Class of 2018

**Arezou Amidi, DPM, ACFAS**  
Dr. William M. Scholl College of  
Podiatric Medicine at Rosalind  
Franklin University  
Class of 2017

**Julie Schottenstein, DPM**  
Barry University School  
of Podiatric Medicine  
Class of 2016

# About the Program

## Program Curriculum Highlights

- Advanced Forefoot & Rearfoot Reconstruction
- Sports Medicine
- Total Joint Arthroplasty/Reconstruction
- Trauma
- Elective cases.

If interested, there will be cases that involve various applied biologics.  
There is time for office/clinic work on a weekly basis.

# FAQ

## **Is the fellowship accredited?**

Westside Regional Medical Center Foot & Ankle Fellowship garners dual accreditation with ACFAS (American College of Foot & Ankle Surgeons) and CPME (Council on Podiatric Medicine).

## **Is there research requirements?**

The Fellow is required to produce at least one manuscript for publication in foot and ankle care.

The Fellow is encouraged to participate in resident lead research and case presentations contiguous with the Westside Regional Medical Center podiatric residency.

## **Does the fellow participate in national and state-level conferences?**

The fellow is encouraged to participate in national and state-level conferences, exhibiting completed research and providing educational lectures.

These may include:

- ACFAS National Conference
- Florida SAM conference
- Westside Regional Medical Center Symposium
- Available Fellow advanced training courses

## **Duration?**

The Fellowship is a one year well-rounded program that starts July 1st and ends June 30th for one complete cycle.

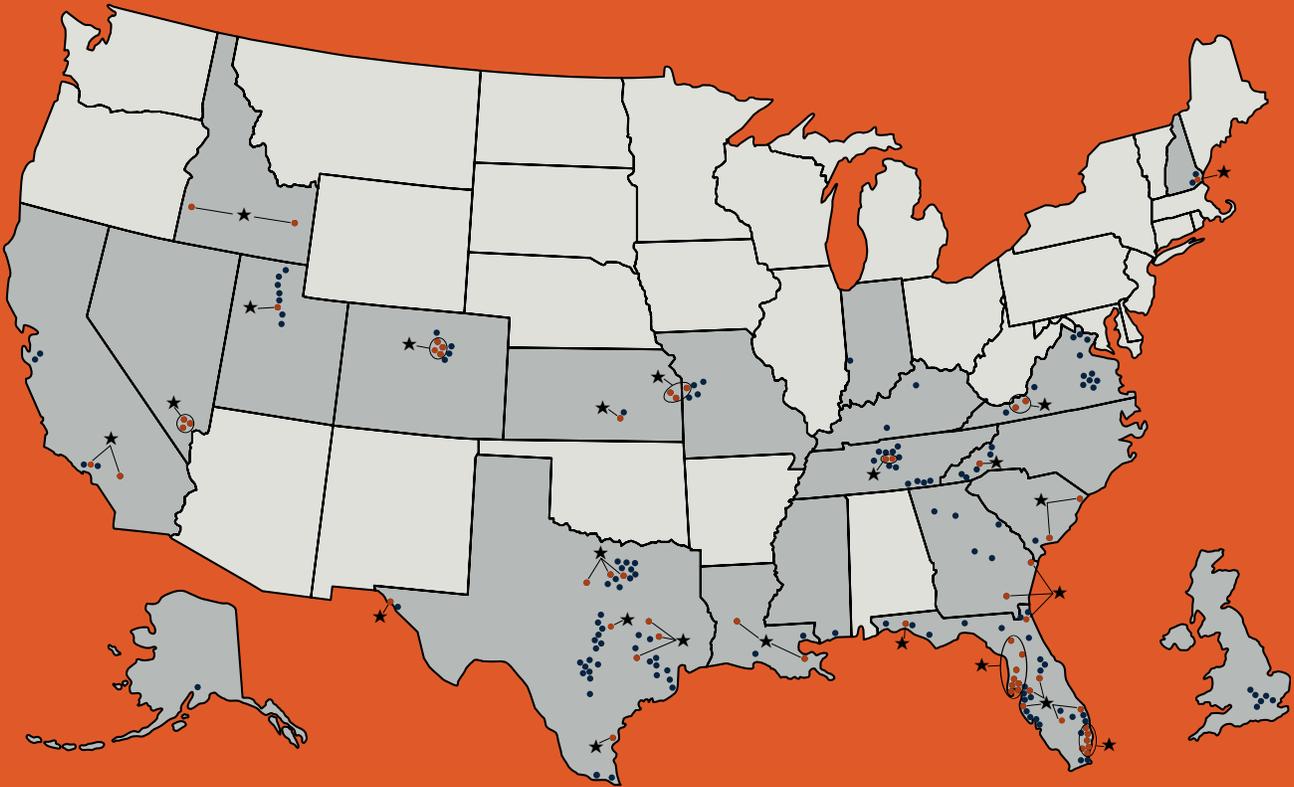

# About HCA Healthcare GME

HCA Healthcare is a comprehensive healthcare network with over 275,000 colleagues across more than 2,000 care facilities all committed to creating a positive impact every day. We continually invest in our colleagues and facilities to better serve our patients and local communities. The Graduate Medical Education (GME) programs seek to inspire tomorrow's physicians to care for and improve human life by focusing on patient-centered approaches to practicing the latest evidence-based medicine.

**To learn more about the benefits and expectations of training with an HCA Healthcare program, view our [Resident and Fellow Manual](#).**

Our residency and fellowship programs are in **59**  
hospitals located in **16** states

- ⊗ Residency or Fellowship Program
- HCA Healthcare Hospital

## Size

HCA Healthcare Graduate Medical Education is the largest sponsor of residency and fellowship programs across the nation.

**4,637**  
residents

**289**  
fellows

**218**  
specialty programs (residencies)

**79**  
sub-specialty programs  
(fellowships)

## Scholarly Activity

HCA Healthcare Graduate Medical Education provides a critical link between vigorous scholarly activity and real-world patient care from a sophisticated data repository of more than 32 million patient encounters each year.

**2,500+** HCA Healthcare GME scholarly activities in 2020-21.

## Clinical Training

Each year approximately five percent of all U.S. hospital services happen at an HCA Healthcare facility, including:

**32+ million** patient encounters  
**7.4 million** emergency room visits  
**215,000+** babies delivered

HCA Healthcare Graduate Medical Education is a leader in clinical experience.

- Nationally known physician expertise across the country
- Investments in facilities allowing the advancement of patient care
- High emphasis on simulation results and low patient incidents
- Higher patient touch than academic facilities
- Annual collaborative mass casualty event team training

# A commitment to scholarly activity

Based on more than 32 million patient encounters each year, our scholarly activity bridges the gap between compelling evidence and exceptional patient care.

- Society of Hospital Medicine
- American College of Surgeons

## **Influential Collaboration**

HCA Healthcare residents and fellows have access to talented, highly skilled teams of faculty, industry experts and dedicated researchers to guide them through their journey. Residents and fellows produce evidence that drives future practice by leveraging HCA Healthcare's national clinical data warehouse – the heart of our data ecosystem.

**HCA Healthcare Scholarly Commons** is a platform to collect, share and publish the variety of academic work created by the Graduate Medical Education community. During 2020, readership of those works eclipsed the 25,000 mark. Included on this platform is the **HCA Healthcare Journal of Medicine**, a peer reviewed scientific periodical focused on innovation, enhanced quality and developing new knowledge in clinical care and medical education for the benefit of all patients. In its first year of publication, the journal disseminated 86 articles in six issues as well as a seventh special issue on the COVID-19 pandemic.

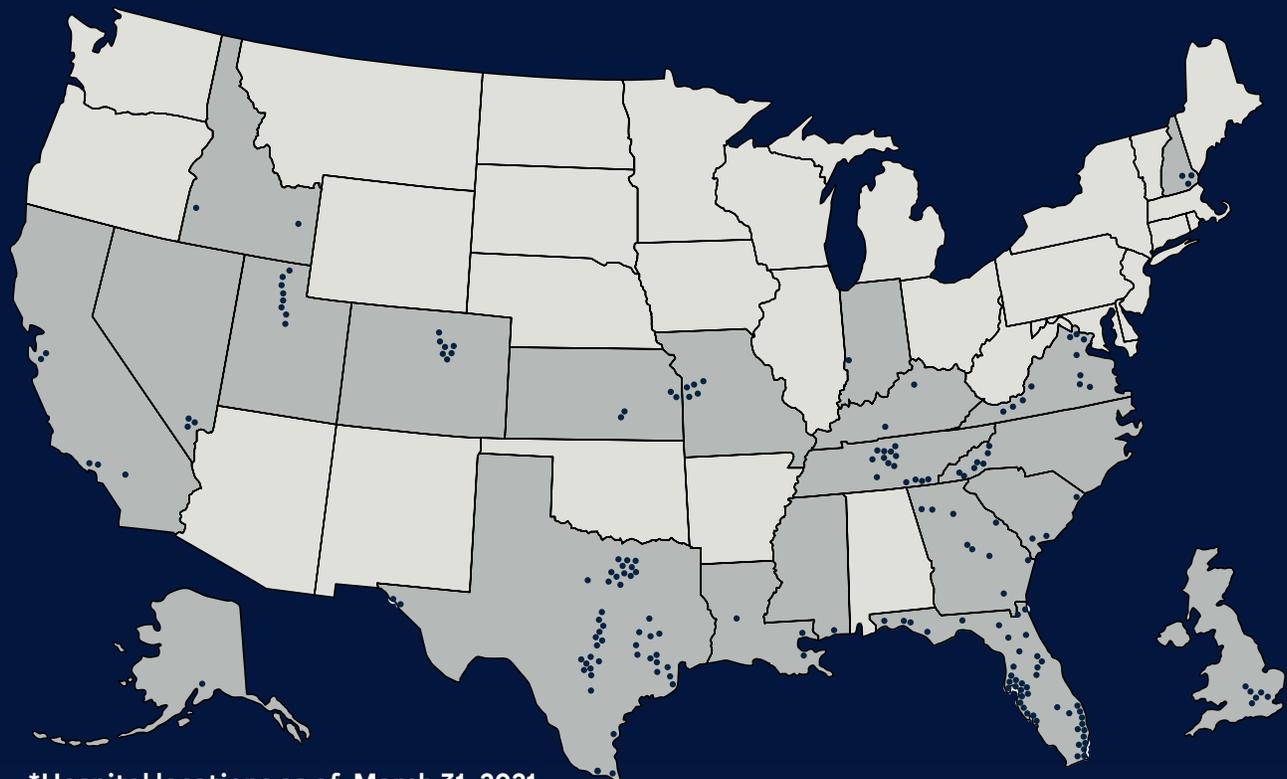

# About HCA Healthcare

HCA Healthcare is one of the nation's leading providers of healthcare services and is comprised of 186 hospitals and more than 2,000 sites of care including surgery centers, freestanding ERs, urgent care centers, diagnostic and imaging centers, walk-in clinics and physician clinics in 20 states and the United Kingdom. With its founding in 1968, Nashville-based HCA Healthcare created a new model for hospital care in the United States.
